APPLICANT 12

S:\2020\208448\Draws\Water Supply Well Inventory Mapping.dwg | Tabname: Well Field Plan | Feb 20, 2023 - 9:54am | mpable

Written dimensions shall have priority over scaled dimensions. All dimensions, elevations, locations, and conditions shall be verified by the Contractor prior to construction, and the Owner and Boucher & James, Inc. shall be notified of any discrepancies with the information shown on drawings.
Only those plans incorporating the raised or red ink professional seal shall be considered official and relied upon. All ideas, designs and arrangements presented hereon were developed for use on, and in connection with, the specified project being prepared for the owner. These plans may not be reproduced or altered without the expressed written permission of Boucher & James, Inc.
Information shown on this plan represents professional services expressing ideas and designs developed, owned and copyrighted by Boucher & James, Inc. Reproduction of this plan without written approval of Boucher & James, Inc. is not permitted. Unauthorized reproduction or copy of this plan for any purpose will be considered a violation of the copyright laws and a theft of corporate assets. Unauthorised alterations of the plan will be considered a violation of the professional code of ethics. Any violation will be prosecuted to the fullest extent of current statutes.
